## JUSTICE after DEATH!

Do you **love** and **support JUSTICE**? If it is not important to you, if you ignore it in your daily dealings, if you are known, even by your family and people on the street, as "**UNJUST, HARD** and **SOULESS**,"

though you may not receive your **just deserts** in this life, **true justice**, impartial and irrevocable, will be applied to you **after your DEATH!** Unless you repent in time. Do you laugh and deride? Do you think yourself more a devil than Satan himself? Even the devils fear and tremble when they contemplate their **coming JUST JUDGMENT**. Don't believe in devils, angels, God or a just judgment? For rebellious people of such an obtuse, even depraved mentality, **physical death comes up short as just punishment**. A just judgment requires sentences in proportion to facts and intentions. Thus, "**the JUDGMENT**" of the **SOUL-SPIRIT** (Hebrews 9:27), **after physical death**, the punishment being "**the SECOND DEATH**." This seems very **just** to the soul that truly **loves JUSTICE**.

Prisons, the death penalty, suicide or natural death would be, for the **guilty**, like two or three light lashes in comparison with their monstrous crimes. Of such great magnitude that the mind of the decent and just human being finds it impossible to form even a small realistic picture of what took place. But, **God knows everything those megalomaniacs did**, with their **hordes of accursed henchmen**, and **he will make them stand before him** and the multitudes of their **accusers**. This is the **“SECOND DEATH.”** This is the **“righteous judgment of God”** on the soul-spirit of Hitler and his evil coreligionists, **Joseph Stalin** and his, **Pol Pot** and his (responsible for the Cambodian genocide), and all other **“world rulers of this present darkness,”** as well as that of all times and places.

Hundreds of millions of souls-spirits of human beings killed unjustly and cruelly cry out for **“JUSTICE! JUSTICE!”** Only God can respond to their reclamation. He will do it, unfaithfully, **“on the day of wrath when God’s righteous judgment will be revealed”** (Romans 2:5). The sentences of the earthly **International Criminal Court** against people guilty of genocide, war, torture, violent exploitation and other crimes against humanity, do not satisfy the ardent desire for true justice of the masses of oppressed and martyred. Only the **Celestial Court** has the power to reach beyond physical death and impose true justice on evil, unrepentant souls and their resurrected bodies (made spiritual, but not glorified. John 5:26-29; Revelation 20:11-15).
