

Brief Report

From Dewayne, Rita and Antonio Shappley

April 1, 2020

32 more boxes to Venezuela

These were packed Sunday, March 8, 2020, in room 109 of the West Broward Church of Christ, Plantation, Florida facilities, and were shipped March 11. The total **weight** was **1,376 pounds**, and the **cost of shipping**, door to door, was **\$850.00**.

They contained **54 pairs of tennis shoes**, most new or almost new. Especially for evangelists, for these men are having to do a lot of walking in the continued fulfillment of their ministries of evangelism, edification and benevolent works, and some specifically requested tennis shoes.

In addition, they contained **medical supplies, clothes** (most of them for preachers and teachers), some **food**, about **500 Bibles**, approximately **15,000 tracts** and some **40 booklets** and **books**. (I had exact amounts, but have not been able to find the sheet of data.)

Rita, Sharon Laretta, Kiara, Antonio and I did all the packing this time. After worship services in English and Spanish. It was 5:30 pm by the time we completed the job and cleaned the work area.

Attached is a photograph of the 32 boxes, each with its shipping document. The boxes were sent to several different evangelists and congregations in Venezuela.

With brotherly love in Christ and prayers for your wellbeing during these long days of the coronavirus epidemic.
