

“Dime la antigua historia”

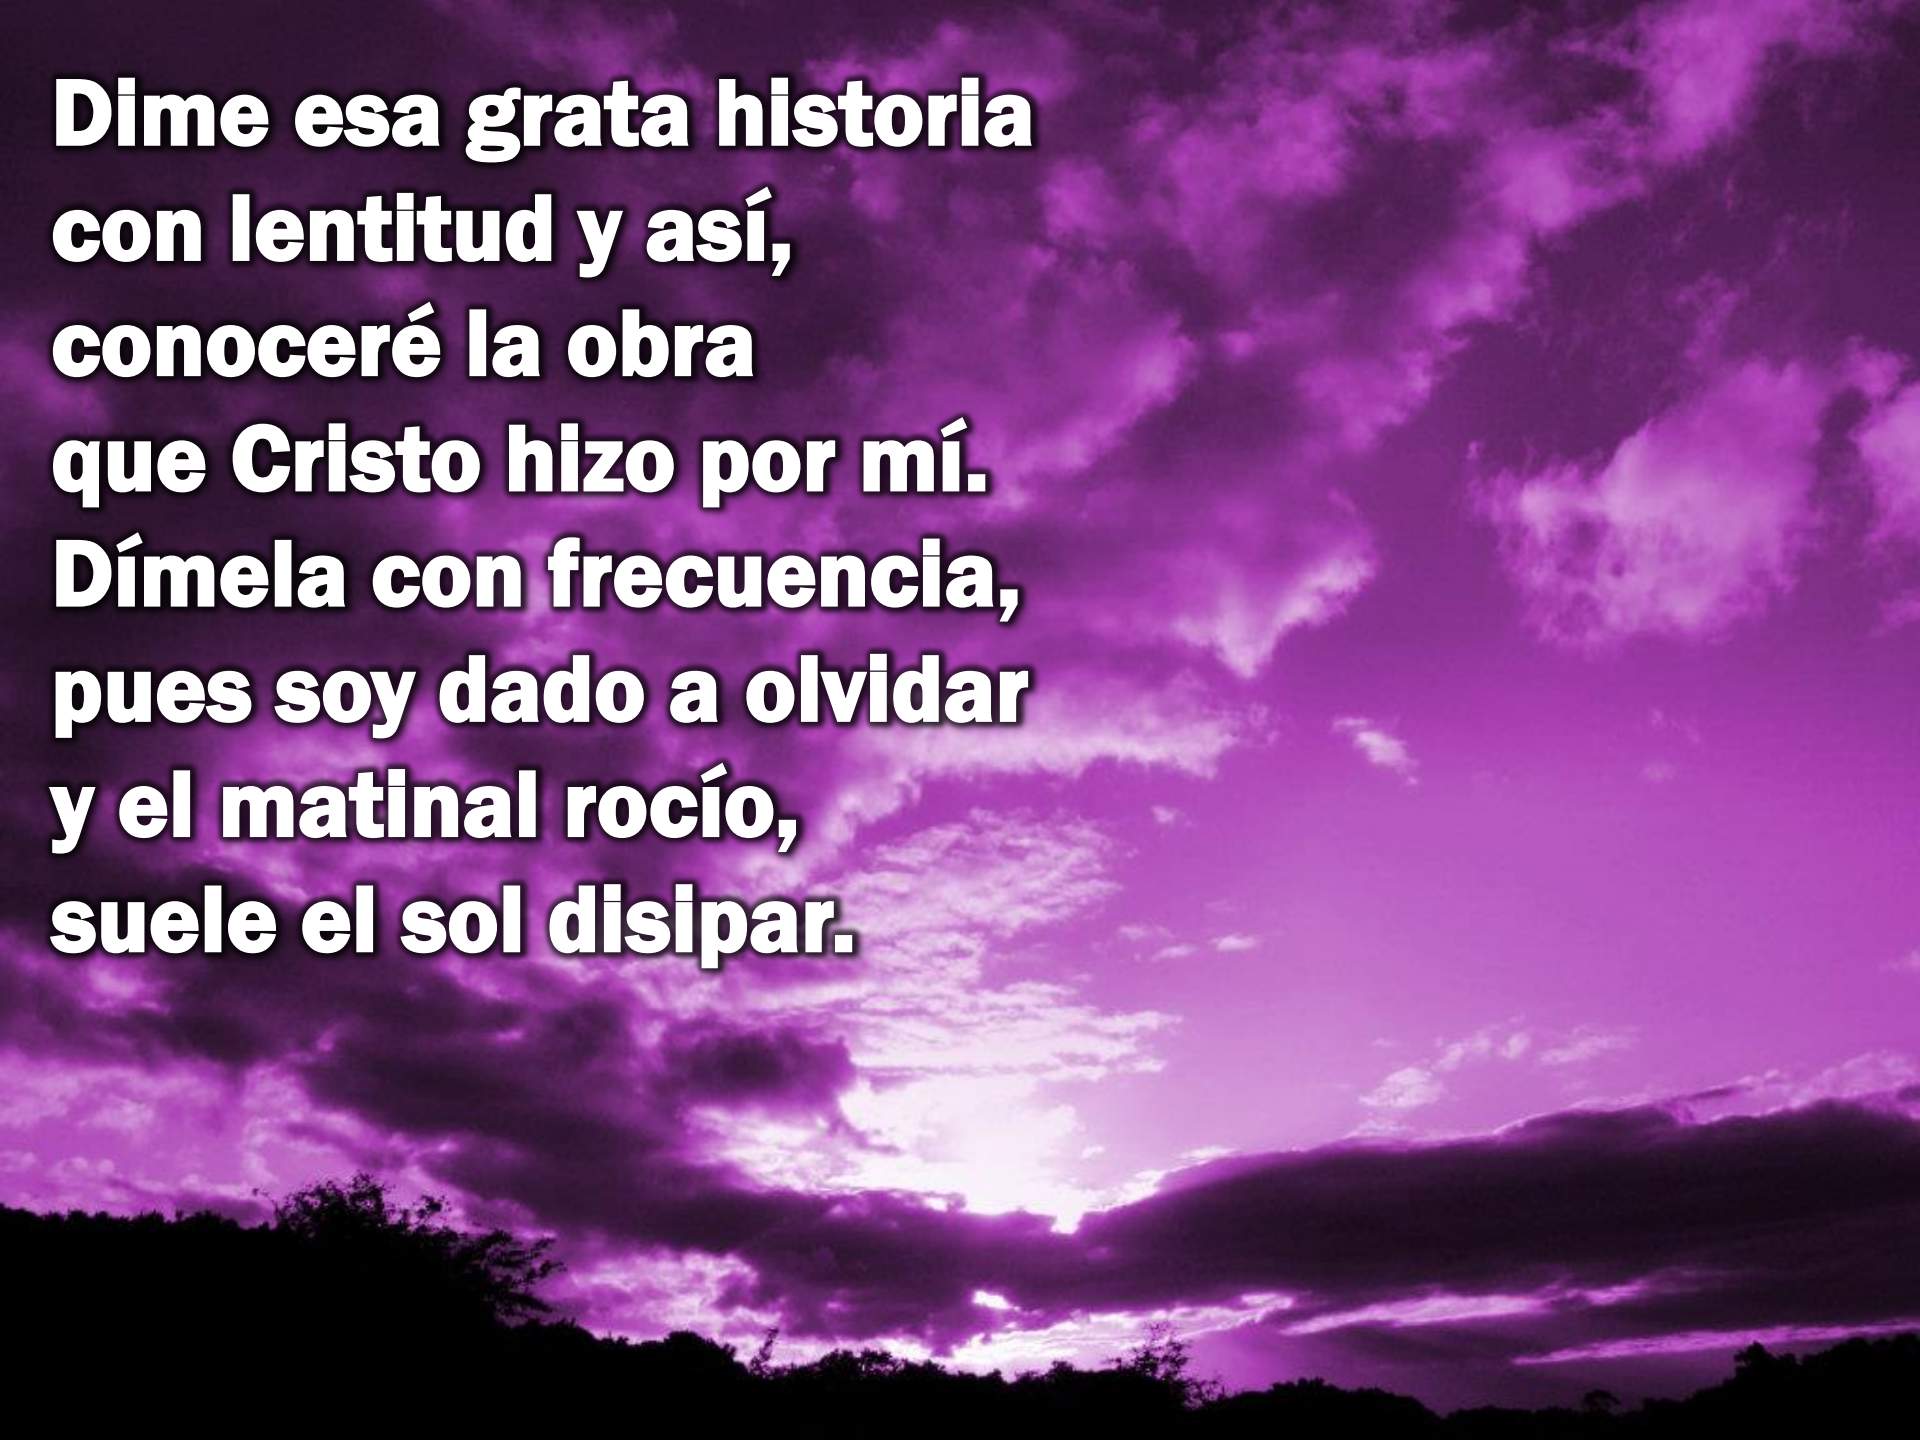

**Dime la antigua historia
del celestial favor,
de Cristo y de su gloria,
de Cristo y de su amor.
Dímela con llaneza
propia de la niñez,
porque es mi mente flaca
y anhelo sencillez.**

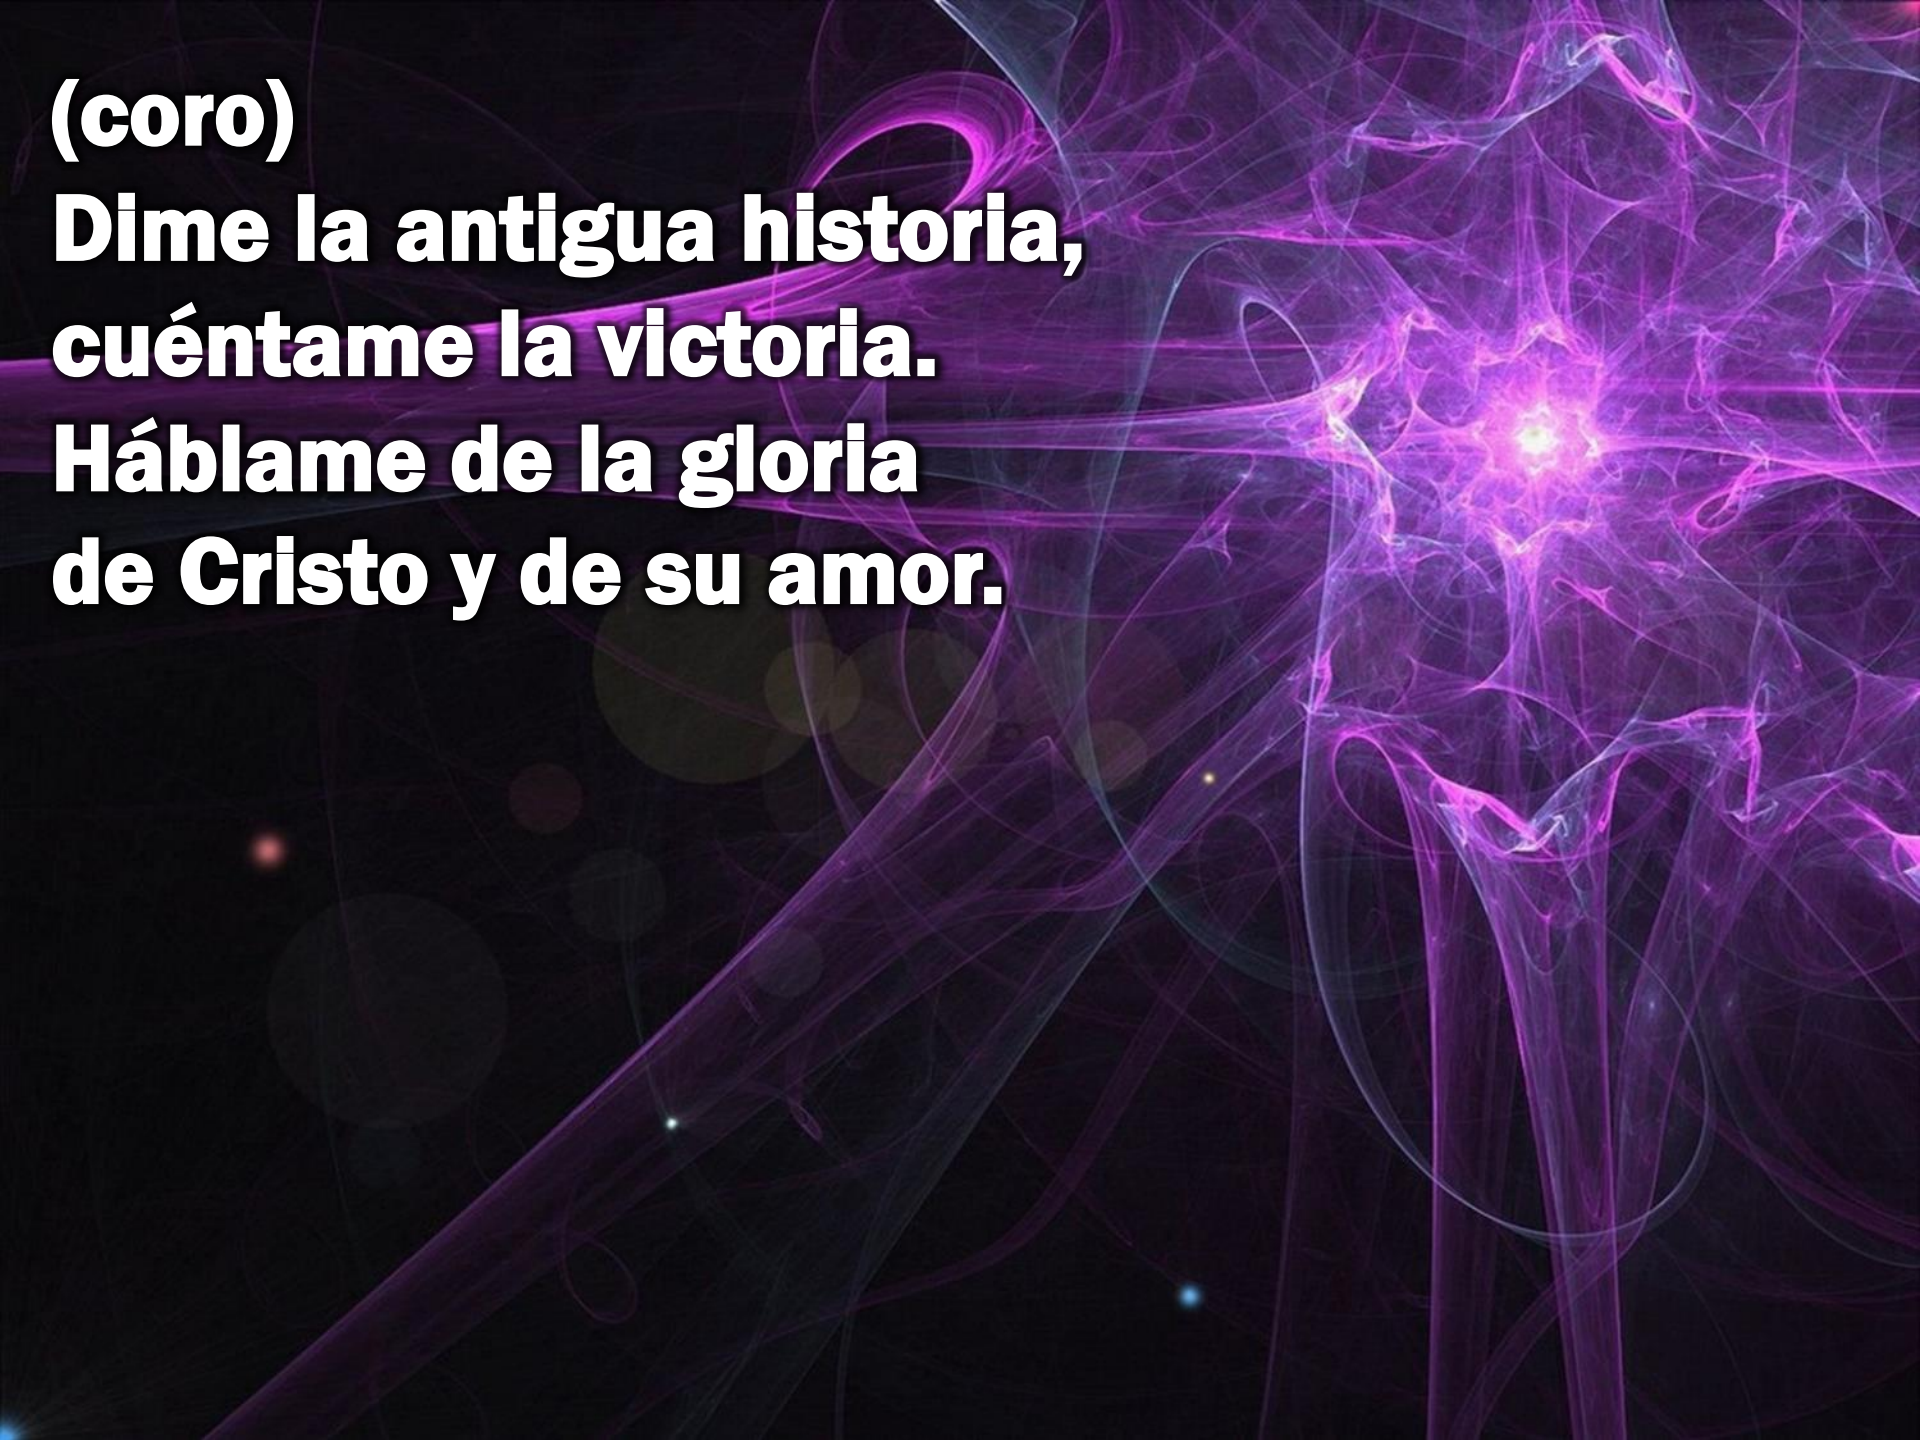

The background of the image is a dark, almost black, space filled with intricate, glowing fractal patterns. These patterns are primarily in shades of purple and pink, with some lighter, almost white, highlights. The fractals are complex, swirling, and branching, resembling organic or celestial structures. A prominent, bright, star-like fractal is located in the upper right quadrant, emitting a strong glow. Other smaller, dimmer fractals are scattered throughout the scene, creating a sense of depth and movement. The overall effect is ethereal and mystical.

(coro)

**Dime la antigua historia,
cuéntame la victoria.
Háblame de la gloria
de Cristo y de su amor.**

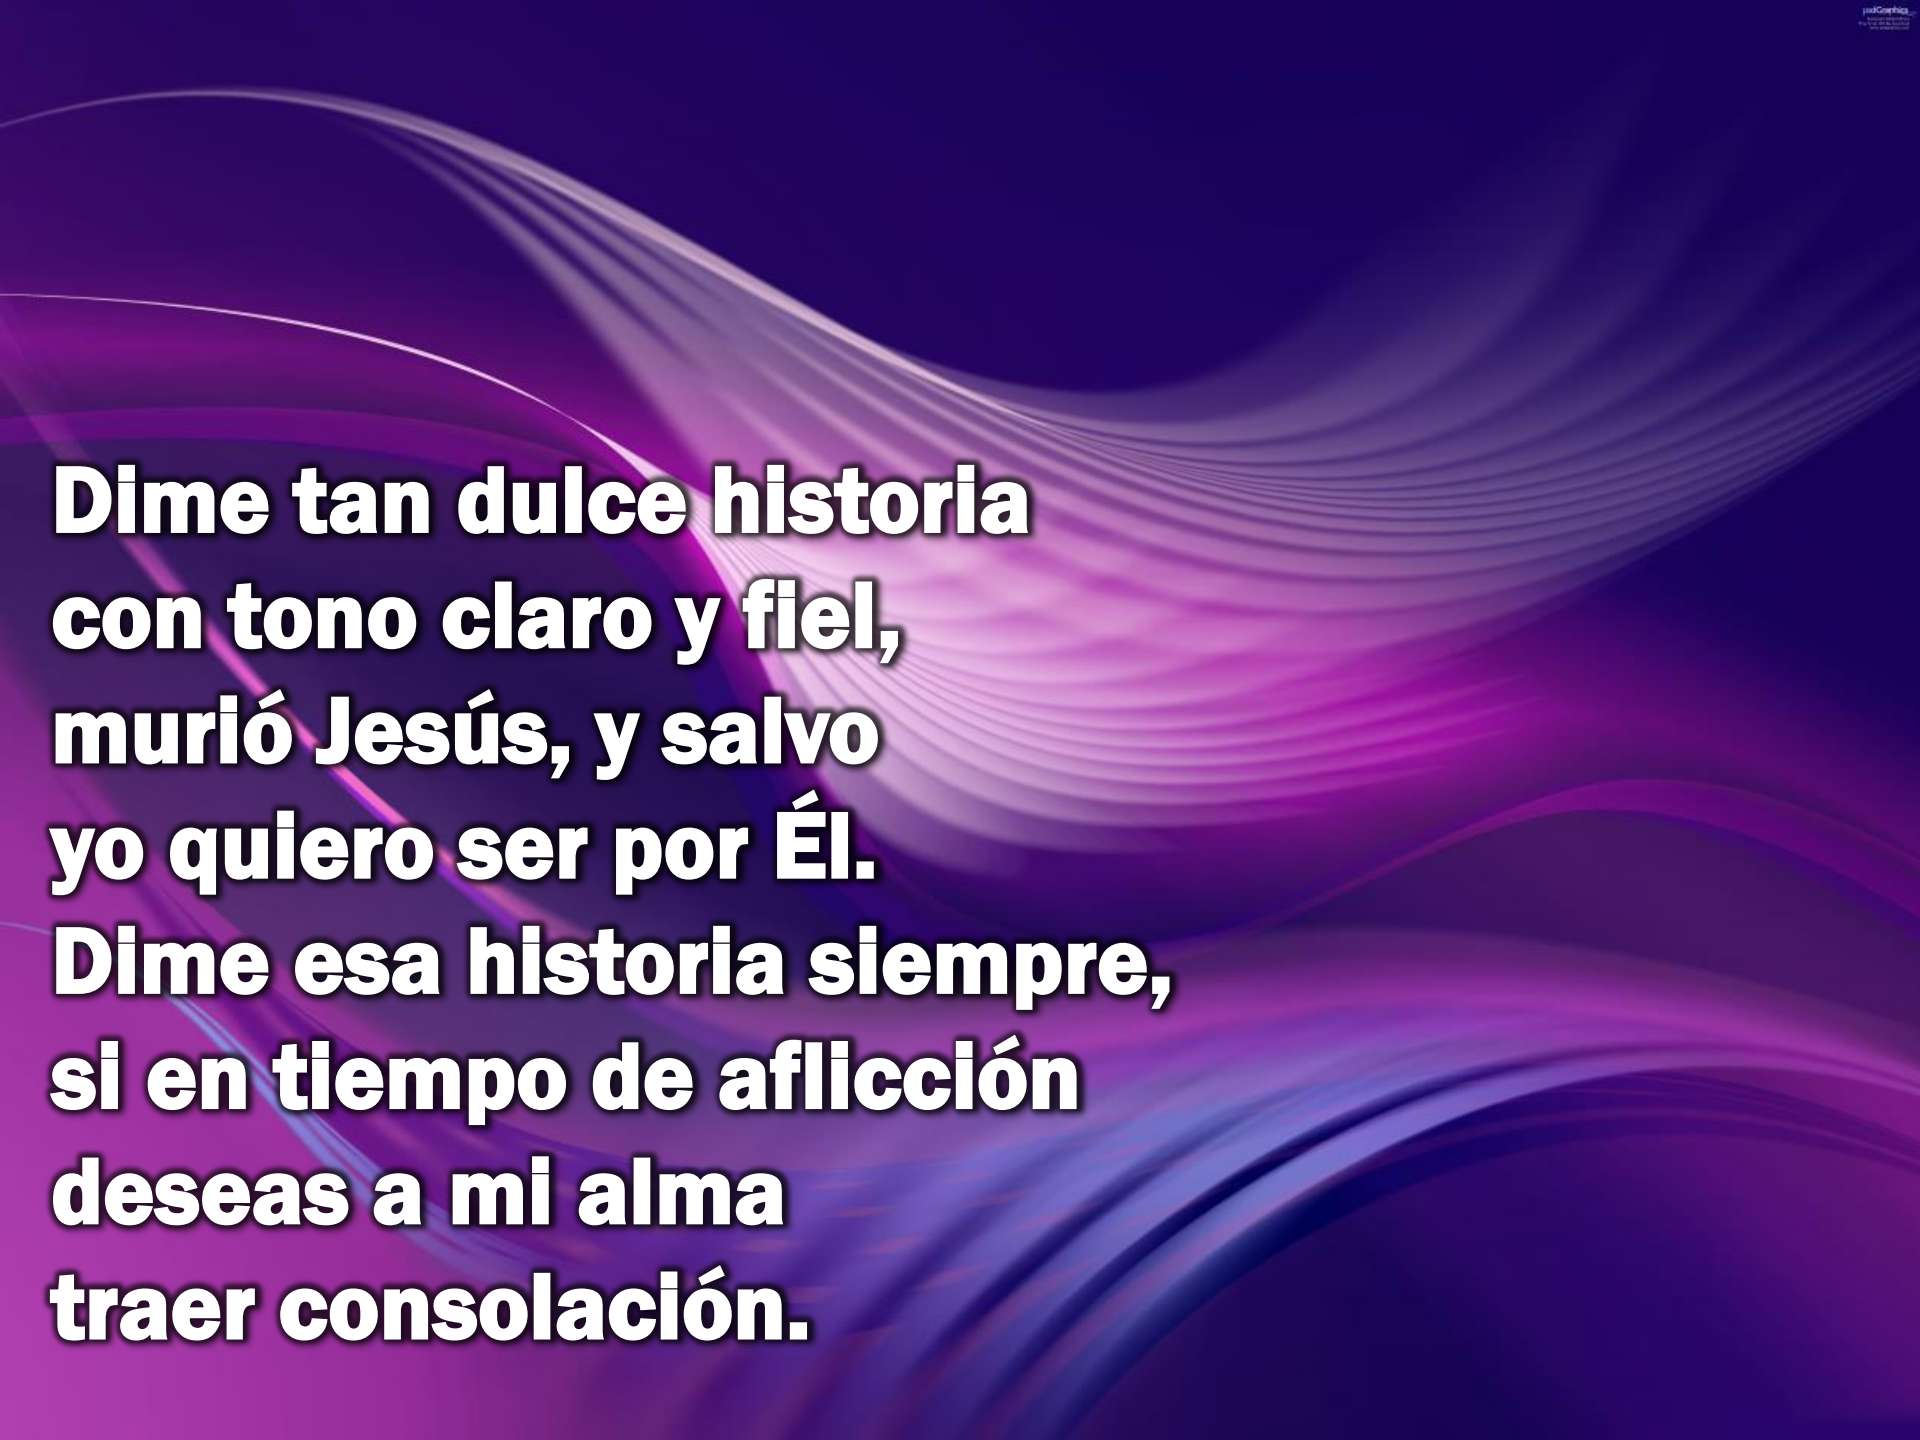

**Dime esa grata historia
con lentitud y así,
conoceré la obra
que Cristo hizo por mí.
Dímela con frecuencia,
pues soy dado a olvidar
y el matinal rocío,
suele el sol disipar.**

The background of the image is a dark, almost black, space filled with intricate, glowing purple and pink fractal patterns. These patterns resemble delicate, ethereal smoke or light trails, swirling and branching out from a central point of intense brightness on the right side. The overall effect is one of cosmic wonder and spiritual energy.

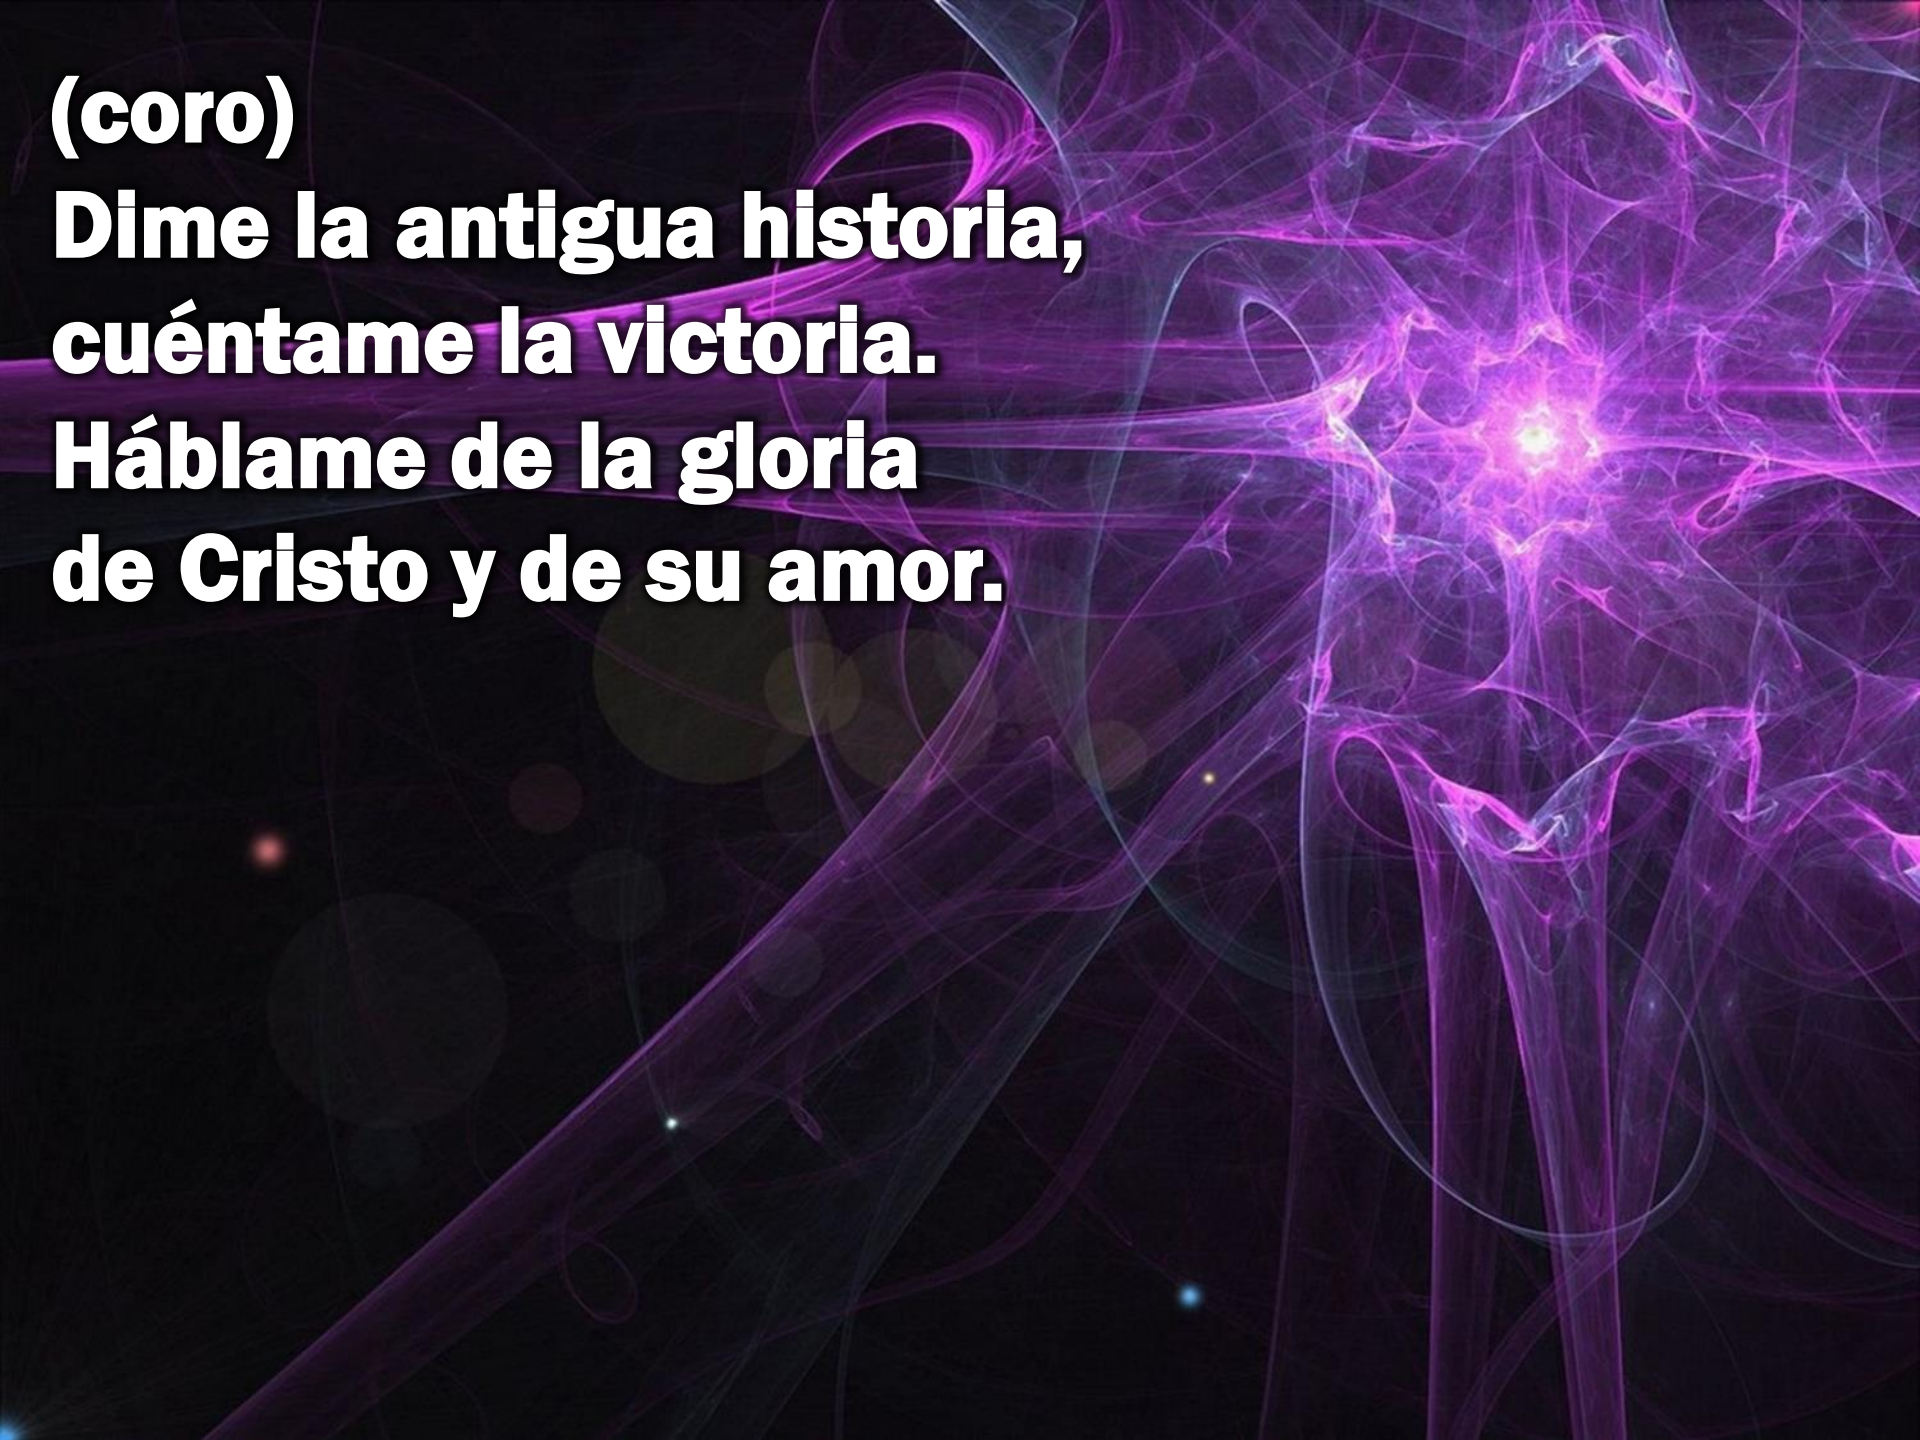

(coro)

**Dime la antigua historia,
cuéntame la victoria.
Háblame de la gloria
de Cristo y de su amor.**

**Dime tan dulce historia
con tono claro y fiel,
murió Jesús, y salvo
yo quiero ser por Él.**

**Dime esa historia siempre,
si en tiempo de aflicción
deseas a mi alma
traer consolación.**

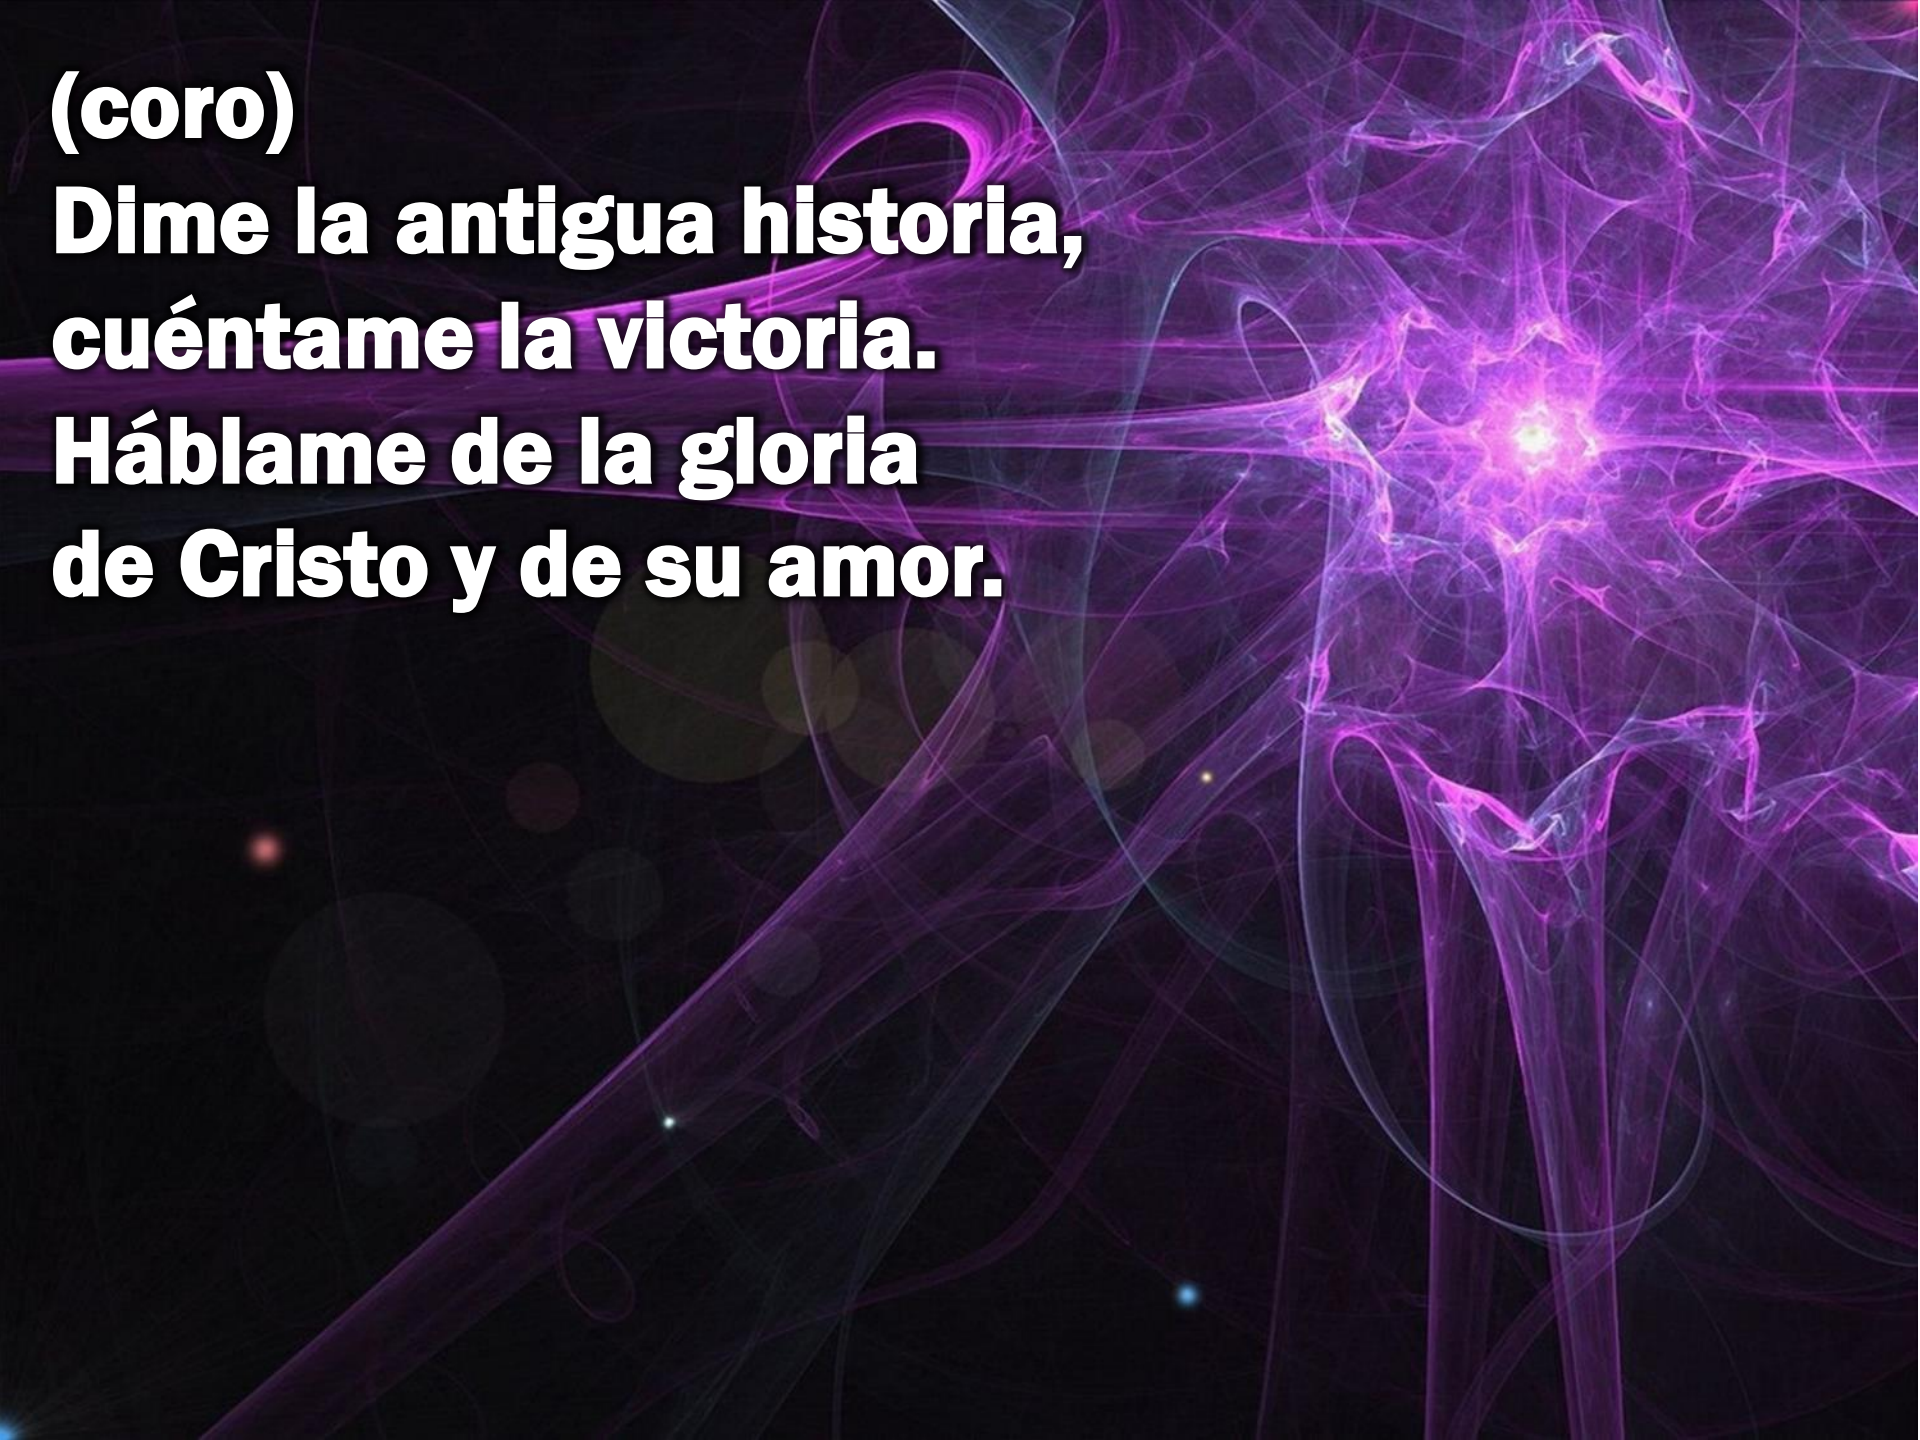

The background of the image is a dark, almost black, space filled with intricate, glowing purple and pink fractal patterns. These patterns resemble delicate, ethereal smoke or light trails that swirl and spiral across the frame. A prominent, bright, star-like cluster of these patterns is located in the upper right quadrant, radiating outwards. The overall effect is one of cosmic beauty and spiritual energy.

(coro)

**Dime la antigua historia,
cuéntame la victoria.
Háblame de la gloria
de Cristo y de su amor.**

**Dime la misma historia,
si crees que tal vez;
me ciega de este mundo
la falsa brillantez.
Y cuando ya me alumbre
de la gloria de luz,
repíteme la historia:
“quien te salva es Jesús”.**

The background of the image is a dark, almost black, space filled with intricate, glowing fractal patterns. These patterns are primarily in shades of purple and pink, with some lighter, almost white, highlights. The fractals are complex, swirling, and branching, resembling organic or celestial structures. A bright, central point of light in the upper right quadrant serves as a focal point, from which many of the fractal lines seem to emanate. The overall effect is one of dynamic energy and spiritual depth.
